Yes.

I'll be in Phoenix 9/18-9/19, but other than that, I'm around and free to help out.

Col. Helmlinger called to say that HudBay is submitting a revised mitigation plan that addresses some of the Corps' and our concerns. His staff will reach out to ours to go over the revised plan in detail.

Hi Tomas,

I am going to get a phone call Monday morning from Col. Helmlinger about Rosemont. Have your staff received any updates in the last month or two?

Have a good vacation.
